

**VST BECOMES DELL'S SERVICES PROVIDER IN CHINA MARKET
TO BE THE DISTRIBUTOR FOR ITS FULL SERIES OF NOTEBOOK, DESKTOP AND SERVER**

* * *

PARTNERSHIP ENLARGE VST'S BUSINESS DEVELOPMENT POTENTIAL

(Hong Kong, 9 July 2007) – **VST Holdings Limited** (“VST”) (Hong Kong Stock Code: 856), a leading distributor of IT products in China, announces that it has become the strategic partner of the world's largest computer manufacturer Dell Inc. (“Dell”). VST becomes Dell's strategic services provider in China market, distributes full series of Dell's products including notebook, desktop and server.

As the world's leading computer manufacturer, Dell continuously adopted its direct sales business model to expand its market coverage. The partnership with VST has demonstrated Dell's development of a new sales model to strategically enlarge its market share in China. Dell and VST will start business cooperation in 12 provinces in China, it is expected that the scope of cooperation will be further expanded in the future.

Mr. Li Jialin, Chairman and CEO of VST, said, “VST's outstanding business performance was strongly convinced Dell to engage the strategic partnership. It is the fact that we are one of the leading IT products distributors with the highest growth rate, strongest profitability, and most brilliant performance in PRC. VST committed to help Dell capture the most market share and believe that it can provide rooms for our business growth in the future.”
