

VST Holdings Becomes Yotaphone 2 Exclusive Distributor in Hong Kong

(Hong Kong, 19 December 2014) **VST Holdings Limited** (“**VST Holdings**” or the “**Company**,” together with its subsidiaries collectively known as the “**Group**,” HKSE stock code: 856.HK), one of the leading IT product distributors in the Asia Pacific, is pleased to announce that, ECS Technology (HK) Co. Limited, its subsidiary, has become the Hong Kong exclusive distributor of Yotaphone 2, the second generation of Yotaphone by Russian smartphone maker, Yota Devices.

On 18 December 2014, Yota Devices held an official product launch ceremony in Hong Kong to announce the retail price of Yotaphone 2 is HK\$5,999. The Group is also planning to distribute the product in Southeast Asia countries in the future. Online ordering of YotaPhone 2 will be available on 22 December, 2014 (next Monday) at vstbuy.com.

As the first Russian self-developed and the world’s first dual-screened smartphone, Yotaphone has an AMOLED HD screen as well as a full touch EPD screen. The newly launched second generation, Yotaphone 2, has a battery that lasts up to three times longer than ordinary Android phones. When the device is fully charged, it can be used for 2 to 2.5 days for general functions whilst reading on the EPD screen, the battery life can last up to 5 days without recharging. The whole new YotaPhone 2 comes with refined enhancements in which the upgraded 4.7-inch full touch EPD is designed to surprise the smartphone world with a list of innovative Yota-personalities.

Mr. Li Jialin, Chairman and Chief Executive Officer of VST Holdings Limited, said: “VST is committed to develop the distribution market of consumer electronics products as well as expanding its online sales business. Given the high smartphone penetration rate in Hong Kong market, VST is optimistic about Yotaphone 2’s sales prospects in Hong Kong as the first Asian city to launch Yotaphone. Being appointed as the exclusive distributor of Yotaphone 2, the Company is proven to establish the leading position and widely recognized by the industry.”
