VOLUNTARY ANNOUNCEMENT BUSINESS UPDATE

This announcement is made by VSTECS Holdings Limited ("**the Company**", together with its subsidiaries, "**the Group**") on a voluntary basis to inform the shareholders of the Company and potential investors of the latest news on the Group's business development.

The board of directors of the Company ("**the Board**") is pleased to announce that ECS Cloud Star, a subsidiary of the Group, has developed an AI resource management and scheduling platform which is fully compatible with the DeepSeek series of large models. This platform enables one-click access to the DeepSeek series models, offering customers an out-of-the-box experience for using large models in domestic environments such as Ascend. Additionally, the platform integrates a model gateway to provide model capability invocation, allowing the DeepSeek models to be effectively utilized across various business scenarios.
