LETTER FROM THE BOARD

II. GENERAL MANDATE TO BUY BACK SHARES

On 14 May 2024, a general mandate was given to the Directors to exercise the powers of the Company to buy-back Shares of the Company. Such mandate will lapse at the conclusion of the forthcoming AGM. Therefore, a resolution will be proposed at the AGM to grant the Directors a general mandate to buy back up to 10% of the issued share capital of the Company (excluding Treasury Shares, if any) (“**Buy-back Mandate**”) as at the date of passing the relevant resolution. The Company is required by the Listing Rules to send to its Shareholders an explanatory statement containing all the information reasonably necessary to enable them to make an informed decision on whether to vote for or against the Buy-back Mandate. For this purpose, this circular is prepared together with the explanatory statement required by the Listing Rules as set out in Appendix I on pages 8 to 12 of this circular.

III. GENERAL MANDATE TO ISSUE SHARES

Resolutions will also be proposed at the AGM to grant the Directors a general mandate to allot, issue, and otherwise deal with new Shares (including any sale or transfer of Treasury Shares out of treasury) in accordance with the Listing Rules, not exceeding 20% of the number of issued Shares of the Company (excluding any Treasury Shares) (“**Issuance Mandate**”) as at the date of passing the relevant resolutions and to add such number of shares bought back by the Company pursuant to the Buy-back Mandate to the Issuance Mandate. The obtaining of such mandate is to ensure flexibility and discretion for the Directors to allot, issue, and otherwise deal with new Shares and/or to resell Treasury Shares in accordance with the Listing Rules. Such number of Shares referred to above shall, where applicable, be adjusted in the event that the Shares in issue as at the date of passing the resolutions are, at any time thereafter, converted into a larger or smaller number of Shares.

On the basis of 3,229,926,876 Shares in issue (excluding Treasury Shares) at the Latest Practicable Date and assuming no further Shares are issued or bought back after the Latest Practicable Date and up to the date of the AGM, if the Issue Mandate is exercised in full, it will result in the Directors being authorized to issue, allot and deal with a maximum of 645,985,375 Shares (excluding Treasury Shares).

IV. RE-ELECTION OF DIRECTORS

In accordance with bye-law 84(1) and (2) of the Bye-laws, Mr. XIA Liqun (“**Mr. Xia**”), Ms. LAM Ka Yan (“**Ms. Lam**”) and Ms. CHOY Man Har (“**Ms. Choy**”) shall retire from office by rotation at the AGM. Mr. Xia, Ms. Lam and Ms. Choy, being eligible, have offered themselves for re-election.

The Nomination Committee, having reviewed the Board’s composition, nominated Mr. Xia, Ms. Lam and Ms. Choy to the Board for it to recommend to Shareholders for re-election at the AGM. The nominations were made in accordance with the Company’s nomination policy and the objective criteria (including without limitation, gender, age, cultural and educational background, ethnicity, professional experience, skill, knowledge and length of service), with due regard for the benefits of diversity, as set out under the Board Diversity Policy. APPENDIX I EXPLANATORY STATEMENT ON BUY-BACK MANDATE

This Appendix serves as an explanatory statement, as required by the Listing Rules, to provide requisite information to you for consideration as to whether to vote for or against the ordinary resolution to be proposed at the AGM for granting the Buy-back Mandate.

This explanatory statement contains all the information required pursuant to Rule 10.06 of the Listing Rules which are set out as follows:

1. SHARE CAPITAL

As at the Latest Practicable Date, the issued share capital of the Company comprised 3,229,926,876 Shares and the Company does not have any Treasury Shares.

Subject to the passing of the Resolution 5 and in accordance with the terms therein, on the basis that no further Shares are issued or bought back by the Company following the Latest Practicable Date and up to the date of the AGM, the Company will be allowed under the Buy-back Mandate to buy back fully paid Shares up to the aggregate nominal amount of a maximum of 322,992,687 Shares, representing 10% of the issued share capital of the Company (excluding any treasury Shares) on the date of the passing of the resolution to approve the Buy-back Mandate during the period from the date of the passing of this Resolution up to the date of the conclusion of the next annual general meeting of the Company, or the expiration of the period within which the next annual general meeting of the Company is required by the Bye-laws of the Company or any applicable laws to be held, or the date on which the authority set out in this Resolution is revoked or varied by the passing of an ordinary resolution of the shareholders of the Company in general meeting, whichever is the earliest.

2. REASONS FOR THE BUY-BACK

The Directors believe that it is in the best interests of the Company and its Shareholders for the Directors to have general authority from its Shareholders to enable the Company to buy back its Shares on the Stock Exchange as and when required. Such buy-backs may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net asset value per Share and/or earnings per Share of the Company and will only be made when the Directors believe that such buy-backs of Shares will benefit the Company and its Shareholders as a whole.

If the Company buys back Shares pursuant to the general buy-back mandate, the Company may cancel the repurchased Shares and/or hold such Shares as Treasury Shares. Shares bought back and held by the Company as Treasury Shares may be resold on the market at market prices to raise funds for the Company, or transferred or used for other purposes, subject to compliance with the Listing Rules, the Articles of Association, and the applicable laws of the Bermuda.

To the extent that any Treasury Shares are deposited with CCASS pending resale, the Company will adopt appropriate measures to ensure that it does not exercise any shareholders' rights or receive any entitlements which would otherwise be suspended under the applicable laws if those shares were registered in the Company's own name as Treasury Shares. These measures may include approval by the Board that (i) the Company will not (or will procure its broker not to) give any instructions to

HKSCC to vote at general meetings for the Treasury Shares deposited with CCASS and (ii) in the case of dividends or distributions, the Company will withdraw the Treasury Shares from CCASS, and either re-register them in its own name as Treasury Shares or cancel them, in each case before the record date for the dividends or distributions.

3. FUNDING OF BUY-BACKS

Buy-backs of Shares must be funded out of funds which are legally available for such purpose in accordance with the memorandum of association of the Company and the Bye-laws and the laws of Bermuda. The Company may not buy back its own securities on the Stock Exchange for a consideration other than cash or for settlement otherwise than in accordance with the trading rules of the Stock Exchange. Under Bermuda law, buy-backs by the Company may only be made out of the proceeds of a fresh issue of Shares made for the purpose, or, out of the funds of the Company otherwise available for dividend and distribution or out of the capital paid up thereon. Any premium payable on a redemption or purchase over the par value of the Shares to be purchased must be provided for out of the Company's share premium account or out of the funds of the Company otherwise available for dividend or distribution.

4. POSSIBLE MATERIAL ADVERSE IMPACT

Taking into account the current working capital position of the Company, the Directors consider that if the Buy-back Mandate were to be exercised in full, it might have a material adverse effect on the working capital and/or the gearing position of the Company as compared with the position as at 31 December 2024, being the date of its latest audited consolidated financial statements. Therefore, the Board does not intend to make any buy-backs to such an extent as would, in the circumstances, have a material adverse effect on the working capital requirements or the gearing position of the Company which, in the opinion of the Board, are from time to time appropriate for the Company.

The number of Shares to be bought back on any occasion and the price and other terms upon which the same are bought back will be decided by the Directors at the relevant time having regard to the circumstances then pertaining.

5. SHARE PRICES

The highest and lowest prices at which the Shares were traded on the Stock Exchange during each of the 12 months prior to the Latest Practicable Date are as follows:

	Highest <i>HKD</i>	Lowest <i>HKD</i>
